

Meet Your

Pre-K TEACHER

Hello...

Hi there!

My name is Katie Robinson, and I'll be your child's Pre-K teacher this year! I taught Pre-K for 5 years and 3rd grade for another 2 years and loved every minute. I became part of the SSA family 2 years ago while returning to teaching at FSA after having my son, David, who is now 19 months old. I love to watch littles learn while they play, build relationships, and progress beyond even our dreams for them! I am so excited to make this a year that your children will look back on fondly, remembering our activities and adventures in Pre-K, and not one of fear or missing out. I am grateful for the care you all have taken for the safety of your families and those here at SSA. We look forward to an amazing year!
