

Meet Your

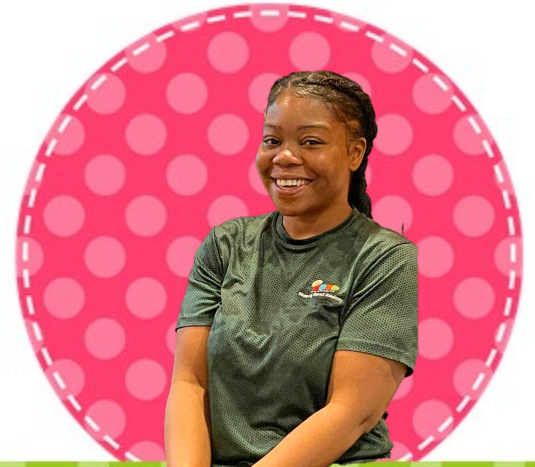

TEACHER

Hello...

Hi! My name is Jannita Simon and I am the Lead Teacher of the Lions Classroom (older 2's). I have completed my Associates in Early Childhood. I taught the Home Depot workshop for children in Roswell and I loved interacting with the different families that attended the classes. I was the assistant in the Lions for a year before being promoted to the Lead Teacher. I have a daughter that attends River Eves Elementary and I am expecting another daughter in November. Each day in the Lions we enjoy laughing, dancing, playing, and learning. The best part about working with children is getting to know each of their individual personalities and what makes them laugh and smile. I have been with SSA for over 5 years!
