

Meet Your

Zebra TEACHERS

Hello...

Welcome to the Zebras where you have not one but two amazing teachers!!! Ms. Annamarie has just finished her Associates Degree in Child Development, and BA in Psychology. She has been employed in private preschool settings since 2014. Ms. Annamarie resides in Alpharetta with her two dogs. Her favorite part of teaching is to see a child grasp a new concept and get excited about showing off their new skill. Ms. Emelyn has been at SSA for over three years. She started as an assistant in the Lambs Class. She finished her Associates Degree in Child Development and started our Zebra's class. She absolutely love watching my kids grow and conquer new tasks. When she is not am not at SSA, she is spending time with my family and trying to keep up with her son, Jude. They both absolutely love watching the kids grow and conquer new skills. They are also very excited for the new school year!!

Ms. Emelyn & Ms. Annamarie
